Nursery and Pre-Prep

This month our topic is 'People Who Help Us' if you are a nurse, doctor, dentist, vet or your occupation falls within that category and would like to come and speak to our Pre-Prep children please let Lianne Hopkins know.

Nursery

This week Bouncing Bears and Cuddly Cubs have been to the park and spent lots of time outside playing on their new slide.

They have created some fantastic new artwork for the display boards by dipping parts of their body in paint.

Pre-Prep

We have spent time talking about our topic 'People Who Help Us' and on Monday the children were visited by a representative from Guide Dogs for The Blind with a Guide Dog which they thoroughly enjoyed.

We have also made some displays about our topic and dressed up as Doctors and Nurses and played in our role play corner which is a surgery at the moment.

Thank You

Thank you very much to Mr & Mrs Glover who have generously donated some unwanted board games to the After School Club.

And Finally.....

We have a visitor, a small cow with a light up nose that makes a gentle mooing sound. Please come to the school office if she belongs to you!

Mrs Hawkins has become very attached to her and will adopt her if she remains un-claimed.
