

Waverley School and Nursery *'Communication'* **Week ending 7th October 2011**

It has been a week of contrast as we began with glorious sunshine and summer temperatures and ended with autumnal weather in time for our Harvest celebration.

What a super event, bringing together the whole school with the innocence and enthusiasm of our Pre-Prep and Reception contrasting with the confidence and maturity of our Year Six who led our time of celebration and reflection beautifully.

Our thanks go to both Mrs Murphy and Mrs Hadlow who worked so hard to make it a special event. Also to the WFA for organising tea and coffee, providing an opportunity to relax and chat with fellow parents.

We look forward to our Open Day next weekend already the children are excited about meeting the visitors. This is a wonderful opportunity to invite friends and their children to see all of the exciting things we do at the school.

Netball Match Results

Triangular match v Hawley Place and Dolphin School

Waverley won 6-1 and 11-2 respectively. The team played fantastically well - the best we have seen at Waverley for a long time!

Excellent shooting by Dionne and Sophie and Anna and Josie defended consistently well to keep the ball out of the oppositions third. Centre court players Jemima, Kathryn and Bella played hard throughout.

Reserves must also be mentioned for their support so thanks go to Ashleen, Elizabeth, Madeleine and Mya. So well done to all I am so proud of you.

Player of match was Dionne for both games!!

Nursery and Pre-Prep

Nursery

This week the children have been enjoying making their Christmas Cards and having lots of fun creating chalk pictures on the patio outside.

Our 'Bouncing Bears' have been learning how to put their 'Who's Here Today' photograph up by themselves.

Pre-Prep

The children have been practicing their songs for the Harvest Festival celebration which took place this morning. They have also collected lots of food which will be donated to the Salvation Army.

They have also been hard at work decorating their Christmas Cards, got very creative with junk modelling, cutting sticking and making some play-dough.

We have read lots of books and continued to discuss our topic 'People Who Help Us'.

Our New Slide

The new slide is now installed and the children are thoroughly enjoying playing on it.

Our thanks go to Lianne Hopkins and her partner Gavin who saw the slide advertised 'free of charge to a good home'. Using their own transport they went and collected the slide and delivered it to school during the summer holidays.
