Key Stage 1 Wows In Wiz Wham Alakazam!

Dear Parents,

I hope you have all had a wonderful week. It's hard to believe there is only one week of term left until the summer break! It has been another action-packed few days at Waverley with Sports Day, Year 6 Bikeability sessions, a whole school BBQ on the field, final cricket fixtures and of course, a fantastic production from our KS1 children this morning.

Key Stage 1 Shine In Their Summer Production

Earlier today, we were delighted to welcome parents into school for another incredible Waverley production. This time, it was our KS1 children's turn to shine in their fantastic performance of 'Wiz Wham Alakazam' and wow, what a show it was!

Every child gave their all, delivering lines with confidence, singing beautifully and dancing with such energy. I especially liked the fantastic display of gymnastics and wonderfully woeful jokes courtesy of Miles. I am sure all those who attended will agree it was a truly special performance.

A huge well done to all the children involved. I am incredibly proud of each and every one of them. Also, a special thanks to Ms Bell, Miss Page and the whole teaching team for their hard work in bringing the show together. We will share a selection of photos from the performance next week.

Sports Day Spectacular

What a fantastic day we enjoyed on Monday for Sports Day 2026! Although we had to postpone the event last week due to the hot weather, Monday couldn't have been more perfect, with ideal conditions for a fun-filled day of sporting action. Thank you to all the parents who turned out to support across the three events. It was wonderful to see so many of you cheering, wearing team colours and even joining in some of the races!

I am sure you will agree, the children were absolutely incredible throughout the day. We started with great energy from Foundation and Reception this morning, followed by brilliant performances from Years 1 and 2 and finished strong with some outstanding events from Years 3 - 6! It was wonderful to see every child taking part and encouraging their peers. A huge well done to **JUPITER** our overall winners. See photos **here**.

New Head Boy & Girl Announced

Earlier today, I had the privilege of sharing the new roles and responsibilities for our current Year 5 pupils, who will take on these roles in September. I am delighted to announce our new Head Boy and Head Girl, Joseph and Effy, along with our Deputy Head Boy and Deputy Head Girl, Otto and Aahana.

The whole class should be incredibly proud of themselves. The standard of interviews was outstanding, making the decision process a very difficult one. To view the full list of roles and responsibilities, please click **here**.

A Fantastic Whole School BBQ

On Wednesday, the whole school enjoyed a fantastic barbecue feast on the field, thanks to Jo and the amazing Connect team. With the sun shining, the children thoroughly enjoyed their alfresco lunch of burgers and sausages. A huge thank you to the entire Connect team for the delicious treat! See photos **here**.

WaveFest - A Waverley Festival To Remember

I am really excited for the incredible WaveFest summer festival taking place on the field this afternoon. It is set to be a fantastic event with live music, amazing food & drink, great stalls and a fantastic festival atmosphere. There is so much to look forward to. A big thank you to the WFA for all their hard work in organising it. We will share all photos from WaveFest next week!

I hope you all have a wonderful weekend!

Year 3, 4 & 5 Superb Summer Projects

This term, Years 3 & 4 were set the challenge of creating an independent project all about Ancient Egypt. Each child chose an area that interested them and presented their learning in a way of their choice. From giant pyramids and tombs to Egyptian museums and mummies, the class demonstrated lots of creativity, effort and enthusiasm. See photos **here**.

Year 5 also took on an independent project, researching a self-chosen topic of personal interest. From jellyfish and chocolate to aeroplanes, nuclear power stations and fashion design, the variety of topics was incredible, and the quality of the finished projects was outstanding. It was wonderful to welcome parents into school this week to admire the children's hard work and celebrate their achievements. See photos **here**.

Final Cricket Fixture of 2026

On Wednesday afternoon, our Year 5 & 6 cricket teams played their final fixtures of the year against Lyndhurst and St Mary's. It was also the last Waverley sporting fixture for our Year 6 pupils, making it a special occasion. The children played brilliantly, demonstrating the skills, teamwork and confidence they have developed throughout the summer term. Well done to everyone who represented the school so well! See photos **here**.

Year 6 Complete Bikeability Training

At the start of the week, our Year 6 class took part in Bikeability training sessions designed to equip them with the essential skills for safe and confident cycling on the road. From checking their bikes and mastering clear hand signals to understanding road signs and navigating tricky junctions, the children gained a wealth of practical knowledge. See photos **here**.

After School Club Bookings

Don't forget! Autumn Term club bookings open on Monday 6th July at 18:00hrs via MCAS. Take a look at what's on offer by clicking **here**.

Father's Day Stay & Play Events

Thank you to everyone who attended our postponed Father's Day Stay & Play session yesterday morning. We hope you all had a lovely time with your children.

Foundation Sports Day

Well done to all of our Foundation children who took part in their very first Sports Day on Monday morning! They all did a great job competing in sprints, egg and spoon races and the fun 'Summer Holidays' race. A big well done also to all of the parents who joined in with the obstacle race at the end.

Ballet Watching Week

Our final Ballet Watching Week of this term is taking place on Monday (6th July) in our Community Hall. The final ever session for our Foundation children will run from 08:50hrs - 09:20hrs, followed by the Nursery 3 session from 09:20hrs - 09:50hrs. We look forward to seeing you there.

Foundation Graduation

A reminder that our Foundation Graduation Ceremony will take place on Thursday 9th July at 2:00pm. Parents are warmly invited to join us as the children celebrate their time in Foundation and prepare to say goodbye to the nursery. After the ceremony, we will be holding a party in the Foundation garden. Please bring a plate of food for your child to enjoy. Nursery 1

This week in Nursery 1, the Babies have had lots of fun learning about different occupations. They especially loved finding planes in the sky, so explored what it is like to be a pilot. The Babies enjoyed a shaving foam sensory tray with aeroplanes, flying planes down a runway and using boarding passes as they pretended to board their own aeroplane. Continuing the occupations theme, they also had a great time becoming doctors, looking after their friends with a selection of bandages and plasters.

Yesterday, the Babies enjoyed a very special Father's Day Stay and Play session. It was wonderful to welcome so many Daddies in to spend time in Nursery 1. The Babies explored lots of exciting activities including sensory play, soft play, water play, construction and creative crafts. It was a fantastic morning full of fun and special memories.

Nursery Extension

This week in Nursery Extension, the children have been exploring their new interests in transport and sound. They had lots of fun using toy cars to paint colourful tracks and patterns, enjoying making different marks whilst developing their hand-eye coordination and motor skills.

The children also loved exploring a variety of musical instruments, listening to the different sounds they could make and joining in with some singing together. This activity helped build their curiosity through sensory exploration while encouraging them to discover different sounds and rhythms.

Nursery 2

It has been a busy week in Nursery 2, as the children began exploring a new interest in music and movement. They began the week trying out different yoga poses using picture prompts, perfecting their balance and coordination. The children also enjoyed making colourful streamers with tissue paper, developing their fine motor skills.

The children also had lots of fun making music in different ways, using sticks, leaves, pots and pans to create their own rhythms outdoors. To finish the week, Nursery 2 took part in their very own mini Sports Day in the sunshine. All of the children showed great enthusiasm and enjoyed cheering each other on throughout.

Nursery 3

This week in Nursery 3, the children have enjoyed exploring all about families and the people who are special to them. They loved looking through their family books, talking about baby brothers and sisters and spent caring for the baby dolls during role play. The children also their Educators also discussed about how babies can be boys or girls and how everyone is unique.

Another fun activity this week involved the children looking at themselves in the mirrors. They had lots of fun chatting about their hair, eye colour and other features before creating their own self-portraits and family pictures using a variety of art materials. These activities helped to encourage lots of conversation about what makes us special and helped to develop their imagination and fine motor skills.

Pre-Foundation

This week, the children in Pre-Foundation have been exploring numbers, shapes and taking part in their own Sports Day! They enjoyed a variety of fun races, including running, hoop and 'ice cream cone' races. The children also used tweezers to match the correct number of pom poms to numbered stars, helping to develop their counting, number recognition and fine motor skills.

The fun continued with some shape activities, where the children used colourful shapes to complete different pictures, talking about their names and colours. They also enjoyed using construction blocks to build their own rocket ships, encouraging creativity, problem-solving and imaginative play.

Foundation

This week in Foundation, the children took part in their very first Waverley Sports Day, racing in front of their parents. They joined in with a variety of events and showed lots of enthusiasm, and sporting ability throughout the morning. It was a really exciting and memorable event and it is clear to see there are some future sporting stars in the making!

Foundation have also been exploring movement and music through some baby yoga this week. They used mats and picture prompts of different poses to try out a range of stretches and movements, showing great enthusiasm as they copied and created the positions. The children were supported where needed and really enjoyed taking part in this calming and physical activity.

For children joining Reception in September, we'd like to remind you that bookings for Autumn Term After School Clubs go live via MCAS at 18:00hrs on Monday (6th July.) To see what is on offer, click here.
